RESPONSE TO OFFICE ACTION

Commissioner for Patents
Washington, D.C. 20231

TECH CENTER 1600/2900

The August 22, 2002 Office Action asked applicant to elect one of Groups I (claims 1-21), Group II (claims 22-23), Group III (claims 22-24) and Group IV (claims 22-23 and 25).

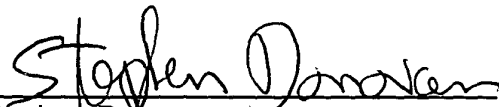

Applicant hereby elects Group II, claims 22-23, with traverse on the basis that all claims are limited to an agent or use of an agent which comprises a targeting component which selectively binds to a GnRH receptor and hence a single search should surface to search all the claims.

Applicant hereby cancels claims 1-21 and 24-25 without prejudice to further prosecution at a later date.

Please change the correspondence address in this application to:
